You do not need to have a torch to do a Foundation Course - you can share a set with someone at the group & order later. However, to buy any books or equipment in time for your workshop, please send order form, with enclosed payment, at least 2 weeks in advance. If ordering late, please call or email to check if your order can be processed in time. There is a post & packing charge for all items mailed to your home address (see below). Items ordered for delivery at a group usually do not incur postage. N.B. Prices may change without notice (exchange rates, supplier costs etc).
